

SUMMER TRACK

Want to do more track and field ?

Why not try a few months of club track and field!

The Langley Mustangs Track Club are offering a summer training option for those high school athletes who want to keep training or try out new events during the club season. You can enter local club meets to get more competition or just simply train with the group to get better and learn more about the sport.

All levels welcome, no previous experience required!

Any questions contact our Head Coach Andrew Lenton:
